Abby Cadabby is a 3-year-old fairy-in-training and is a new character for Season 37 of the children's television show Sesame Street. She is performed by Leslie Carrara and was designed by Ed Christie and built by Rollie Krewson. She is the first new female muppet on Sesame Street in 13 years and is a playmate of Elmo, Zoe, Baby Bear and the gang. Being the new girl on the block, she is meant to bring a further opportunity to share lessons on the differences of people from different backgrounds.[1]

Abby Cadabby has been officially announced and is gaining recognition on Muppet fansites and discussion boards. She made her Street debut on August 14, 2006.
